Internship Job Description – NeraTech LLC (HorizonView Program)

Position Title: Communications & Change Management Intern –
HorizonView Program

Location: Remote / Hybrid (as applicable)

Duration: **August through December 2025** (Part-time, approximately
10–15 hours/week)

Reports To: **Kyle Kramer, PMP, CSSBB – Program Lead**

Company Overview

NeraTech LLC is a technology consulting and solutions provider focused on digital strategy, communications, and innovation for businesses of all sizes.

For this internship, NeraTech is collaborating with **Aberdeen Advisors LLC** on the **HorizonView program**. Aberdeen Advisors is a boutique digital consultancy headquartered in Chicago, with satellite offices in Hyderabad, India. They specialize in digital transformation services from initial strategy to full-scale implementation, serving startups, SMBs, and Fortune 500 clients.

The **HorizonView program** is a scalable Project Portfolio Management (PPM) solution built within Microsoft 365 that enables centralized governance, collaboration, reporting, and automation—customized for each client. The program follows a structured 5-week implementation process and ongoing support model, ensuring consistency, governance, and user adoption.

Position Summary

The Communications & Change Management Intern will be an integral member of the HorizonView program team, with a primary focus on planning, executing, and managing client communications and change management activities throughout program delivery.

The intern will participate in **Prosci Change Management training** to learn industry-recognized best practices for driving successful adoption of new systems. Under the guidance of the Program Lead, the intern will apply these principles to HorizonView client engagements—helping plan and deliver communications that ensure stakeholders are informed, engaged, and confident in the new solution.

Key Responsibilities

- Assist in developing and executing communication plans for HorizonView implementations, from initial stakeholder engagement through post-deployment updates
 - Manage change management deliverables such as stakeholder impact assessments, readiness surveys, and adoption tracking
 - Apply **Prosci's ADKAR® Model** to communication and training efforts for client teams
 - Draft and distribute client-facing communications (emails, newsletters, status updates, training invites)
 - Help prepare onboarding materials, training decks, and user guides in alignment with HorizonView branding standards
 - Support virtual training sessions and facilitate feedback collection from participants
 - Collaborate with HorizonView Designers to align change management messaging with system rollout milestones
 - Track communication effectiveness and recommend improvements for adoption strategies
-

Learning Objectives

By the end of the internship, the intern will be able to:

- Apply Prosci Change Management methodologies to real client projects
- Plan and deliver structured communications to support technology adoption
- Coordinate change readiness activities with project milestones
- Use HorizonView templates and branding to produce professional client deliverables
- Work in a consulting environment with multi-location teams and diverse stakeholders
- Measure and analyze the effectiveness of communication and change strategies

Qualifications

- Enrolled in or recently graduated from a Communications, Marketing, Public Relations, or related program
 - Strong written, verbal, and interpersonal communication skills
 - Interest in change management, organizational behavior, and digital transformation
 - Ability to manage multiple priorities and meet deadlines
 - Familiarity with Microsoft 365 tools (Word, PowerPoint, Teams) is a plus
-

Compensation

This is an unpaid internship.

Application Instructions

Submit your résumé, a brief statement of interest, and 1–2 writing or content samples to [**kkramer@aberdeenadv.com**](mailto:kkramer@aberdeenadv.com).
